

PITCHING FORUM

B.A.F. will take place between the 14th to the 24th of October 2021, during TAF. It will be held online via Zoom. Once your project is selected to participate in B.A.F, you cannot withdraw your submission and your attendance is mandatory. Pitching sessions will be preceded by a workshop, led by an expert tutor to discuss the best pitching strategies. After the workshop, each participating project team will have a meeting with the jury (experienced film professionals and/or film and TV executives). Participants will have 10-minute slots to execute the pitching presentations. The jury's verdict on the winning projects will be final and will not be altered.

By submitting their project, the rights holders of the winning projects agree that they will present their projects as "Winner of B.A.F. 2021" in the project's future materials.

The founder of B.A.F is ADDART.
